Подборка заданий к упражнениям по развитию грамматического навыка через коммуникативные задания для 4 кл
лексическая тема- Cities of the Future,
грамматическая тема- Future Simple(prediction)

Ex 2. Read and listen. Who do you agree with?

Cities of the future.

Here are your ideas about what our cities will be like in 2030.

I think more people will ride bikes and scooters. There won't be any cars and lorries in cities in 2030.

I think there will be more parks and green spaces. There will be more trees and plants. We will walk everywhere.

There will be a lot more skyscrapers in 2030. Some of them will be hundred of floors high. We'll live, work and shop in the same building. We won't have to travel to work.

Формулировка грамматического правила: образование «+» и «-» форм.

- на основе текста учащимися выводится правило, учитель фиксирует на доске, дети в тетрадях
- заполняется правило в упр, используя другую формулировку на «+» и «-» формы.

We use will/won't + the infinitive to make predictions about the future.
Note that will/won't is the same for all persons.

Affirmative(+)

People will ride bikes.

We _____ walk everywhere.

Contractions:

I'll= I+will he'll=he+will we'll= _____ + _____

they'll= _____ + _____

Won't=will+not

Negative(-)

There won't be any cars.

We _____ drive cars.
