Фестиваль Дружбы является традиционным для ГБОУ СОШ №582. Он проводится каждый год в формате общешкольного проекта. Основной задачей участников является представить страну – члена ООН в творческой форме. Это может быть сценка, песня или танец. В представление страны обязательно включается информация страноведческого характера. Каждое выступление сопровождается презентацией.

Оценивание проводится по критериям, о которых участники узнают за две недели до проведения конкурса. В жюри конкурса входят не только учащиеся старших классов, но и учащиеся пятых-шестых классов.

Здесь мы предлагаем сценарии представления различных стран.

**Девочка:** Итак, я в Хорватии. Что же дальше? Нужно узнать у кого-нибудь. (Подходит к мальчику) Excuse me, can you help me?

**Мальчик:** Certainly. What do you want?

**Девочка:** I'm looking for Pikachu here. Do you know how to find it?

**Мальчик:** Yes, I do. To find Pikachu we should learn more about this country. I advise you to start with Diocletian Palace.

**Девочка:** What is it?

**Мальчик:** It's the most famous palace in Croatia.

**Девочка:** OK. Let's go!

*Во дворце Диоклетиана – видео*

**Девочка:** Hello! Can you tell us about this palace?

**Экскурсовод/Старец:** This palace was built by the Roman ruler Diocletian. He wanted to divide the Roman Empire into 4 parts. This palace tells us about those times. It occupies a huge territory. So, it can be called a city. Its area is 3 hectares.

**Мальчик:** Thank you for your story! Take this biscuit, please. It's the Croatian national food.

**Экскурсовод/Старец:** Thank you. It's very delicious!

**Девочка:** Now, what should we do next?

**Мальчик:** Let's go to the theatre to look at the Croatian national dances and costumes.

*Театр - картинка*

*Заходят, садятся, смотрят танец.*

*Ховатский танец*

**Девочка:** Thank you very much. Your dancing was very exciting.

**Мальчик:** Now we should watch some Croatian traditions. Let's watch Bushoyarash.

**Девочка:** What is it?

**Мальчик:** It's a famous holiday which is celebrated in Mohach.

*Бушояраш – видео*

**Девочка:** Miaden! I'm scared! What is going on?

**Ряженный:** Don't be afraid. We are celebrating Bushoyarash. Many years ago Croatia was occupied by the Turkish Army. All people of Mohach left the town and lived in swampy places. One day they met an old man who promised them that they would return to their homes if they made scary masks and waited for a knight. The knight came and ordered them to put on their masks, go back to Mohach and make as much noise as possible. The soldiers of the Turkish Army were frightened because they thought that devils attacked them. And they left the town.

**Девочка:** It's very interesting! Help yourself to the biscuits.

**Ряженный:** Thank you.

**Мальчик:** Do you know how to find Pikachu here?

**Ряженный:** Oh, it's very easy. Pikachu likes our biscuits. Put one of the in front of the door and it will come.

**Девочка:** Ok.

*Картинка – дом*

*Выходит Пикачу, берет печенье*

**Девочка, мальчик:** Oh! Here you are! We have found you at last! We are so happy!

## **ХОРВАТИЯ. ВАРИАНТ 2.**

**Asya:** Hello! Here we are in Croatia!

**Nikita:** Where is our coin?

**Asya:** Here it is!

**Nikita:** Give it to me! Let me throw it! Heads or tails?

**Asya:** Heads!

**Nikita:** OK. Now we'll learn who will take the card. The card takes...

**Asya:** Hooray! Bye-bye! The car is waiting for me. See you tomorrow!

**Nikita:** Ok! And I'll have to take the bus because it is the cheapest way to get to the capital of Croatia – Zagreb. Croatia is a wonderful country. It is situated at the crossroads of Central and Southeast Europe, on the Adriatic Sea. It is a medium- size European country. The Adriatic sea is a small and relatively shallow sea. Croatia has many islands (around 1000) on the Adriatic sea.

**Asya:** On government buildings we can see the flag of Croatia. It is very unusual. It consists of three equal size, horizontal stripes in colors red, white and blue. In the middle is the coat of arms of Croatia.

**Nikita:** The coat of arms of the Republic of Croatia consists of one main shield and five smaller shields which form a crown over the main shield. The main coat of arms is a checkerboard that consists of 13 red and 12 silver (white) fields. It's also informally known in Croatian as "chessboard". The five smaller shields represent five different historical regions within Croatia.

**Asya:** Croatia provides breathtaking beauty, delicious seafood, incredible wine and great sunshine for the most part of the year. I am fond of seafood. That is why, first of all, I'll go to the best and the most expensive restaurants in Zagreb, where I'll taste fresh fish and enjoy the national music and dancing.

**Nikita:** And I'm going to visit Zadar. This city is situated on the coast of the Adriatic Sea and is famous for its sea organ. Driven by wind and waves this organ creates notes at random. Despite the unpredictability of when notes are sounded, overall what is heard is surprisingly harmonious. Listen!

The sculpture is seventy meters long and has thirty-five organ pipes built under the concrete; as you move along the promenade the sounds and harmonies change. The movement of the waves and wind push air in and out of the organ pipes to create the notes. It is so unusual!

**Asya:** I am going to visit the main sight of Croatia - Plitvice Lakes National Park. It was granted UNESCO World Heritage status in 1979. Located halfway between capital city Zagreb and Zadar on the coast, the lakes are a definite must-see in Croatia.

The beauty of the National Park lies in its sixteen lakes, inter-connected by a series of waterfalls, and set in deep woodland populated by deer, bears, wolves, boars and rare bird species. The National Park covers a total area of 300 square kilometres, whilst the lakes join together over a distance of eight kilometres. The landscape is really stunning!

**Nikita:** Croatia has many beautiful castles. They are in wonderful condition. Some of them are transformed into museums which offer a unique opportunity to discover Croatian rich history. Some castles have huge and beautiful parks, stunning wall paintings. They can have features of the gothic architecture, picturesque baroque churches, ruins of antique theatre. One of them is a remarkable walled city of Dubrovnik. It managed to preserve its beautiful Gothic, Renaissance and Baroque churches, monasteries, palaces and fountains.

With not many people around you can really take your time and absorb the view. Wandering around, you'll get the most breathtaking view of Dubrovnik, the blue Adriatic Sea and the open surroundings. This place will take you back in time, back to the war time where you would go onto a fortress for safekeeping to stay invincible- nobody will be able to touch you from the outside, this is where you'd go to never be conquered.

**Nikita:** Hello, Asya! How do you like Croatia?

**Asya:** I'm in love with this country! I want to spend my holidays here!

## УЭЛБС

**Girl 1:** S'mae! My name is Alwen. I come from Llandudno, a town on the north coast of Wales at the Irish sea. I have a dream. I dream of marrying King Arthur. My Mom says that if your dream is real big, it will come true.

**Girl 2:** Croeso! Me, I am Blodwyn from Conwy. We have a beautiful suspension bridge and town walls to protect us. I wish I could marry the famous King Arthur! If only my wish could come true!

**Girl 3:** Sut mae? I am Callwen from Cardiff. It's a very old town and it's big, I guess the biggest in Wales. I've come here to marry King Arthur. I'm sure he will fall in love with me as soon as he sees me! My Mom always says I am pretty.

**Girl 4:** Bore da! Greetings from Dilys! Anglesey is my home place. It's an island off the Welsh coast. And mind you, ladies, you are not going to marry King Arthur, because I am. Look at me and you'll see you don't stand a chance.

**Girl 5:** P'nawn da! Pleased to meet you! Glenda is the name. I am a true Welsh girl, coming from Llanfairpwllgwyngyllgogerychwyrndrobwll-llantysiliogogoch. It's the longest name but don't bother to learn it. You can say Llanfair. Besides, it doesn't matter. When I marry King Arthur, I will live in his castle and its name is much shorter.

**Girl 1:** However, to marry King Arthur we have to find him first.

**Girl 2:** Isn't it him? Tall, strong, handsome!

**Girls together:** Bore da! Stranger! You are King Arthur, aren't you?

**Bard:** No, ladies. I am Bryn, a Welsh bard. We, bards, are sometimes more powerful than kings. Listen!

*Bard's song. Yws Gwynedd - Sebona Fi (Fideo) на YouTube. <https://youtu.be/H4t8bi33D4k>*

**Girl 3:** Awesome! On second thought I am not going to marry King Arthur any more.

**Girl 4:** Me neither.

**Girl 5:** Arthur! Who wants to marry Arthur!

**Girls together:** Oh Bard! we decided to travel with you!

## ИРЛАНДИЯ

*Ирландская музыка*

*Слайды Ирландии*

**Выходит Леприкон:**

Hallo, dear friends! Do you know me?

I'm a little leprechaun

Dressed in green,

The tiniest man

That you have seen.

I'm a little leprechaun

Imagine that,

With my little boots

And big green hat.

My country Ireland is the most beautiful, original, musical country in the world! And we can't imagine it without Irish songs! But what is it – an Irish song?

To answer this question I need some help of my old friends – meet Three Lovely Dublin Old Ladies!

What is Irish song for you, my dear Magna, Fiona, Clothra?

**The 1st lady:** Any Irish song is a good rhythm.

**Leprechaun:** Rhythm? What rhythm?

**The 1st lady:** For example, this kind of rhythm.

*(Достаёт стакан, начинает отбивать ритм. Остальные старушки присоединяются. Звучит песня "When I'm gone")*

I've got my ticket for the long way round

I've got my ticket for the way

And I sure would like some sweet company  
When I'm leaving tomorrow  
What do you say?

When I'm gone, when I'm gone  
You're gonna miss me, when I'm gone  
You're gonna miss me by my hair  
You're gonna miss me everywhere  
Oh, you're gonna miss when I'm gone

**Leprechaun:** Ok, Irish song is a perfect rhythm. Anything else?

**The 2nd lady:** Good body movements?

**(Остальные старушки с возмущением –**  
What movements?!!

**The 2nd lady:** Like in a real Irish dance!

*(Ирландский танец. Леприкон и старушки подтанцовывают).*

**Leprechaun:** Fine! Rhythm plus dancing. Is that all?

**The 3rd lady:** Of course, not, my dear! Irish song is impossible without love!

**(Остальные старушки с возмущением –**  
Love?!!

**The 3rd lady:** Yes! The love to our Motherland – our Ireland!

**Остальные старушки:** Oh, yes, you are right. God save our Ireland!

*(Звучит песня "God save Ireland!" Все подпевают)*

«God save Ireland!» said the heroes;  
«God save Ireland» said they all.  
Whether on the scaffold high  
Or the battlefield we die,  
Oh, what matter when  
For Erin dear we fall!

Never till the latest day shall the memory pass away,  
Of the gallant lives thus given for our land;  
But on the cause must go, amidst joy and weal and woe,  
Till we make our Isle a nation  
Free and grand.

God save Ireland, said the heroes  
God save Ireland, said they all  
Whether on the scaffold high  
Or the battlefield we die  
Oh, what matter  
when for Erin dear we fall

Never till the latest day  
shall the memory pass away  
Of the gallant lives  
thus given for our land  
But on the cause must go,

amidst joy and weal and woe  
Till we make our Isle a nation free and grand

God save Ireland, said the heroes  
God save Ireland, said they all  
Whether on the scaffold high  
Or the battlefield we die  
Oh, what matter  
when for Erin dear we fall

Never till the latest day  
shall the memory pass away  
Of the gallant lives  
thus given for our land  
But on the cause must go,  
amidst joy and weal and woe  
Till we make our Isle a nation free and grand.

## ШВЕЦИЯ

*На сцене сказочные чиновники что-то обсуждают.*

**Chief official:** Attention, ladies and gentlemen! I have just received a new message. Karlsson has got wild! He has robbed a sweets store and has stolen some barrels with jam.

**Officials:** What shall we do? how terrible! A dangerous person!

**Chief official:** Don't worry. He will arrive any minute now.

*Входит Карлсон.*

Mister Karlsson! You must stop! It's already the fourteenth time.

**Karlsson:** Me? I haven't done nothing bad. It's not my fault!

**Chief official:** Sure, it's not you...

*Входит представитель сказочного народа.*

**People's representative:** In accordance with the public elections Karlsson was elected the King of Sweden!

**Officials:** Can't be true! Upon my word! Nonsense!

*Надевают Карлсону корону, он садится на трон.*

**Karlsson:** Bring me jam – raspberry, strawberry, cherry, apricot – whatever you have!

**Ex-chief official:** Mister Karlsson, you know nothing about the sights and attractions of Sweden! Name at least one!

**Karlsson:** Erm... Well... The Royal Palace! It is my residence now. It has 600 rooms and in all of them I am going to keep my jam! My Palace was built built during the eighteenth century in the Italian Baroque style, on the spot where the "Tre Kronor" castle burned down in 1697. What about you, Minister? What sight can you name?

**Ex-chief official:** Visby, city and capital of Gotland, southeastern Sweden. It lies on the northwest coast of the island of Gotland, in the Baltic Sea. Because of its remarkably well-preserved medieval ramparts and buildings, Visby, "the city of roses and ruins," was designated a protected monument in 1810 and a UNESCO World Heritage site in 1995. Your turn, Karlsson! Name one more!

**Karlsson:** Strömsholm! In Strömsholm is Strömsholm Palace, and from 1621 Strömsholm was a center of military horse training to supply the Swedish Army with horses. Since 1968 Strömsholm is home of civil horse training only. Strömsholm Canal starts in Strömsholm. You see? I am a clever man at the prime of my life! I know more about Sweden than you! Name one more sight if you can!

**Ex-chief official:** Gamla Stan! You can't beat it! It is one of the largest and best preserved medieval city centers in Europe, and one of the foremost attractions in Stockholm. This is where Stockholm was founded in 1252. There are several beautiful churches and museums in Gamla Stan, including Sweden's national cathedral Stockholm Cathedral and the Nobel Museum. How beautiful it looks with its red tiled roofs!

**Karlsson:** Roofs! Yes, roofs! What am I doing here? My true place is on the roof in Gamla Stan because I am Karlsson "det livet på taket" – "who lives on the roof"! Good bye, friends! See you from the roof!

*Карлсон улетает. Все машут ему вслед.*

## ПОЛЬША

*Бальный зал. Гости разговаривают между собой. Звучит полонез Огинского.  
Входит Шопен.*

**Chopin:** Hello Poland! Well, I haven't been here for so long now. My name is Frederic Francois Chopin. Since I was a child I have been in love with the piano. I have shown amazing results in my music career and I've performed on lots of concerts.

**Guest:** Greetings Frederic! I've heard a lot about you. Can you maybe play something for us?

**Chopin:** Of course! Lucky for you I've composed a new prelude some hours ago.

*Шопен идет «играть» на пианино, включается фоновая музыка.  
Входит Коперник.*

**Copernic:** Hi everyone! My name is Nikolas Copernic. I am a Polish astronomer, mathematics and etc. I am an author of Heliocentric System of the World. That means all the planets are rotating around the Sun.

**Guest:** Copernic, is it you? Long time no see! Come over here.

*Коперник отходит к гостям.  
Входит Складовская-Кюри.*

**Skłodowska-Curie:** Hello my friends, hello there! My name is Maria Skłodovskaya-Curie. I am a scientist from Poland. During my career I've earned Nobel Prize twice: in Physics and in Chemistry. I've opened such chemical elements as radium and Polonium. Also I've opened two institutes: in Warshawa and in Paris.

**Copernic:** Excuse me, Maria! I'd like to discuss with about science or I dunno, something more. Personally. Strictly between us.

**Skłodowska-Curie:** Okay!

*Гость злобно смотрит им вслед.  
Коперник и Мария отходят в сторону шептаться.  
Заходит Мицкевич.*

**Mickiewicz:** Hi ladies and gentlemen! My name is Adam Bernard Mickiewicz! I'm a popular Polish poet. I influenced Polish literature a lot, and I am considered to be one of three best Polish poets in the era of Romanticism. And also I can say that I am in love as never before...

Едва явилась ты - я был тобой пленен.

Знакомый взор искал я в незнакомом взоре.

Ты вспыхнула в ответ, - так, радуясь Авроре,

Вдруг загорается раскрывшийся бутон.

Едва запела ты - я был заморожен,

И ширилась душа, забыв земное горе,

Как будто ангел пел, и в голубом просторе

Спасенье возвещал нам маятник времен.

Не бойся, милая, открой мне сердце смело,

Коль сердцу моему ответило оно.  
Пусть люди против нас, пусть небо так велело,

И тайно, без надежд, любить мне суждено,  
Пускай другому жизнь отдаст тебя всецело,  
Душа твоя - с моей обручена давно.

Мицкевич не успевает договорить, так как всех приглашают на мазурку.  
Исполняется танец мазурка.
